WEST VIRGINIA
WINS CLOSE GAME

Bannon Pitches Gift Edge Ball and Receives Air Tight Support.

ELON COLLEGE, N. C., April 14.—West Virginia added another victory yesterday by defeating the strong Elon College nine by the score of 3 to 0. The game developed into a pitcher's battle in the very first inning with Bannon working for West Virginia and Atkinson on the mound for Elon.

Atkinson had a little better of the argument, allowing but four hits and striking out seventeen, while Bannon permitted five hits and struck out ten. Bannon was given gift edge support.

Leatherwood scored the first run in the sixth inning by walking, going to second on an error, stealing third and coming home on a passed ball. Dille scored the second in the seventh with a homer over left field fence and Leatherwood scored the third on a hit, steal and an error.

GENEVA COLLEGE

Football Eleven Will Be Seen in Action at Buckhannon This Fall.

BUCKHANNON, April 14.—Another football game was added to the 1914 Wesleyan schedule when an agreement was reached whereby Geneva College will play on the Wesleyan field on Saturday, October 24, 1914. Geneva always has one of the best college teams in Western Pennsylvania and together with Grove City, Allegheny and Westminster annually struggles for supremacy. Geneva College played at Morgantown against West Virginia University in 1912 and was best-

TWO MORE PLAYERS
SIGNED BY SHANNON

Fine Infielders from Philadelphia Are Acquired for the Colts' Team.

Manager Shannon announces the acquisition of two new infielders in Frank Jackel, a shortstop, and Robert Welker, a third-baseman. Both players hall from Philadelphia where they played last season in the Philadelphia Suburban League. Joe McCarthy, second baseman of the Buffalo International League club, recommended the players to Shannon and he assured the Colts' leader that the boys were the best pair of infielders that have been turned out of Philadelphia in many moons. To substantiate his statement McCarthy enclosed newspaper clippings of a large number of games in which the players had participated in last season. Their records made last season were very good.

Two players have been released by the Colts. They were shortstop Robertson, the Jersey City boy and "Lefty" Richard, of Brooklyn. In view of the fact that Manager Shannon is acquiring such high class talent it did not seem feasible that he should have these players report when there was little likelihood of their making good. At the time they were signed the local club had not signed so many high class men and they appeared to have a chance to make the team. However, with the acquisition of several experienced men Manager Shannon could not see where the players had the

en after a hard fight by the close score of 19-18. The Geneva team will be one of the best played in the home field in 1914. Last fall Geneva beat Bethany by a large score and also was victorious over her important western Pennsylvania rivals.

JIMMY CLARK GOING GOOD.

The Sunday issue of the Mobile Item, published at Mobile, Ala., in announcing the opening game of the Southern league, stated that the Mobile team would be stronger than ever this season. In referring to the outfield it said Jimmy Clark, who was one of the best outfielders in the league last season, was going better this spring than ever before and it looks like this will be his best season. Clark played on the Clarksburg team in 1908.
